Choose the Training Option That Suits You Best

In-Person Training: For those in Southern Ontario, nothing beats the benefits of in-person training. Participants experience enhanced engagement as the instructor moves around the room, providing individual assistance. The sessions are more interactive, fostering increased questions and participation.

Virtual Training: If you're located outside Southern Ontario or need a flexible setup due to remote work, virtual training is the ideal solution. Participants join via Zoom, where they can see the instructor's live video and program screen. This interactive format allows for questions and assistance, ensuring an engaging and effective learning experience.
